

Teachers

and Environmental Educators

On Tuesday, September 11 you are invited to...

Attend the Environmental Education Association of SC's Midlands Meetup from 3 – 4 p.m.
and/or

Tour the Edmund C&D Landfill, Transfer Station and Recycling Center from 4 – 5:30 p.m.

Why Should You Come?

- Hear what other environmental educators (formal and informal) are doing in our region.
- Share your accomplishments and ideas – or just listen if you prefer.
- Get field trip, classroom activity and other ideas you can use!
- Make new contacts and get new resources.
- Learn about the Green Steps program for schools. Haven't heard about it? Learn more now at www.greenstepschools.com
