

Environmental Education Association of South Carolina

Dear Environmental Education Supporter:

[The Environmental Education Association of South Carolina](#) (EEASC) is a nonprofit organization comprised of formal and informal environmental educators and communicators whose mission is to connect, equip and support South Carolinians who promote environmental stewardship.

EEASC's 2024 Annual Conference, "Climate Resilience: How to Save the Planet," will be held June 20-22 at USC-Upstate in Spartanburg, SC. As part of the conference, there will be a silent auction, with all proceeds going to support programs and resources for teachers and informal educators across the southeast.

We are reaching out in hopes you will consider donating an item to this year's silent auction effort. Items can be artwork, jewelry, clothing, educational resources, environmental experiences, etc.! If you are interested, please fill out our online form at <https://forms.gle/qf2crD4pf4vWg4GU9> (copy and paste this link into your web browser) with the description of the item. You can either a) bring your item to the conference or b) arrange a drop-off with one of our board members. All donations to the auction are tax deductible.

Thank you for your consideration of supporting our cause. If you have questions, please contact me—Silent Auction Coordinator Jennifer Mancke—at jenmancke@gmail.com.

Sincerely,

Jennifer Mancke
EEASC 2024 Silent Auction Coordinator
